

To Whom it May Concern

30 October 2024

Year of Launch and Market Experience

I hereby confirm that:

- Oticon Jet 2 BTE was launched on 10 August 2022
- Oticon Play PX 2 miniBTE T was launched on 10 February 2022
- Oticon PG10 BTE SP was launched in 4 May 2023

These Oticon Instruments have been sold in the EU for more than one year.

The benefit of these instruments has been proven through clinical experience and has been well received by both hearing aid users and audiologists, starting with the year of manufacture.

Yours sincerely

Oticon A/S

Claus F. Horneman
Regional Sales Director
