

"ME Slobzhansky produkt" LLC

tract "Klenove", 5, Ruska Polyana village, Cherkasy district, Cherkasy region, Ukraine

Declaration of quality

Name of products: Margarine "Creamy" 82% fat

Manufacturer: "ME Slobzhansky produkt" LLC

Exporter: PE "TRADE HOUSE "GOLDEN MILE"

Batch number: № 0000.1 Production date: 27.01.2025

Expiration date and storage conditions are indicated on the package

Quantity 21000 kg

№	Indicators	Norm	Results measurement
1	Taste and smell	Clean, with taste and the smell added aromatic and flavor additives	corresponds to the norm
2	Consistency at +20...±2°C	Smooth dense. Cut surface shiny, dry looking	corresponds to the norm
3	Color	From light yellow to yellow	corresponds to the norm
4	Mass fraction of fat, %	38-84	82.0
5	Mass fraction of moisture and volatile substances, %	100 - (M(fat)+M(dry defatted residue))	17.4
6	Mass fraction of salt, %	0 - 2,0	0.2
7	Melting point of fat, °C	27 - 38	37°C
8	Mass fraction of dry defatted residue, %	in accordance with technical conditions	0.6
9	Peroxide number in fat isolated from margarine, mmol/kg ½O	no more than 5.0 (at the end of storage period no more than 10.0)	1,1
10	Mass proportion of preservatives, no more than mg/kg joint use of preservatives hi (in conversion to sorbic acid)	up to 1000	700
11	Acidity, ° Kettstorfer	up to 2,5	0.3
12	Glycidyl esters of fatty acids in terms of glycidol, µg/kg	up to 1000	496
13	Trans isomers of unsaturated fatty acids	up to 2.0	0.5

The product meets requirements of DSTU 4465:2005

Product composition: oils (sunflower and palm) RD, in natural and partially hydrogenated form, transesterified fat, drinking water, emulsifiers polyglycerin ether (E475), mono- and diglycerides of fatty acids (E471), table salt, potassium sorbate (E202), "Butter" flavoring, "Baked milk" flavoring, acidity regulator citric acid (E330), natural dye (β-carotene (E160a))

and do not contain products of animal origin, milk paste or other milk fats - 0%.
