

MANUFACTURER'S AUTHORISATION LETTER

Date: 16.07.2025

Ref.: ocds-b3wdp1-MD-1750759598298

Subject: "Instalarea unui parc solar pe teritoriul Aeroportului Internațional Chișinău (LUKK)"

To Whom It May Concern,

We, **SOLAR STEELCONSTRUCTION LIMITED LIABILITY COMPANY**, with its registered office at: 49094, Ukraine, Dnipro, 36A Naberezhna Peremohy, entered into the Unified State Register of Legal Entities, Individual Entrepreneurs and Public Organisations under the number 38677882, hereby confirm that:

SRL "AM SISTEME", with its registered office at: 1a, Ștefan cel Mare Street, MD-3702, Strășeni, Republic of Moldova, is authorised to:

- Represent and promote our metal support structures for photovoltaic panels within the scope of the procurement procedure referenced above.
- Provide and submit relevant technical documentation, certificates of quality and conformity related to our products.
- Procure, install, and commission our support structures for photovoltaic panels in the context of the above-mentioned tender.

We explicitly state that technical and design decisions made by SRL "AM SISTEME" are entirely their own responsibility. SOLAR STEELCONSTRUCTION LIMITED LIABILITY COMPANY acts solely as the manufacturer and supplier of the equipment. Any adaptation of the product to meet the specific technical and safety requirements of the site, including but not limited to wind loads, glare management for aviation safety, or other parameters relevant to critical infrastructure, falls under the competence and liability of SRL "AM SISTEME" as the project integrator.

This authorisation is granted solely for the purpose of participation in the tender "Instalarea unui parc solar pe teritoriul Aeroportului Internațional Chișinău (LUKK)" and does not confer any exclusive rights.

Sincerely,

General Director

Mr. Yevgen Yaremenko
