Leboo Healthcare Products Limited

Leboo's Pursuit
Exceeding Your Expectations

About Us

Leboo was founded in year 2006 by a professional team, aiming to become the leading company in global supply of medical device and personal protective device.

Leboo's Pursuit
Exceeding Your Expectations

16+ Years

With more than 16 years' outstanding experience in production, supply and marketing, Leboo has won good reputation among the customers, established a sound partnership with more than 90 countries. Our main market is Europe, North America, Latin America, Middle east, Africa and Asia.

90+ Countries

Top 10 Enterprise

In 2019, Leboo was honored the award of 'Top 10 Chinese Medical Consumables Enterprises' by CCCMHPIE.

We own 3 clean rooms in Hubei, China.
Our products are mainly divided into three series:

- S-MD** Surgical Infection Control Medical Device (Surgical gown, surgical drape and surgical pack)
- MD** Medical Device (Isolation gown, patient gown, nonwoven shoe cover, facemask, bouffant caps, surgical cap, surgical hood, nonwoven shoe cover, pillow case, bed sheet and so on)
- PPE** Personal protective device (Type5b/6b Coverall, PPE CAT III protective gown, lab coat, PE apron, PE sleeve cover, CPE shoe cover, PE boot cover, astro cap with mask, mob cap and so on)

Factory Introduction

- Strict quality control system
- Advanced machines put in use in manufacture line
- Independent laboratory support on site

54000m²	8800m²	12000m²	450+	120+
Total factory area	Clean room area	Warehouse area	Workers	40HQ Monthly capacity

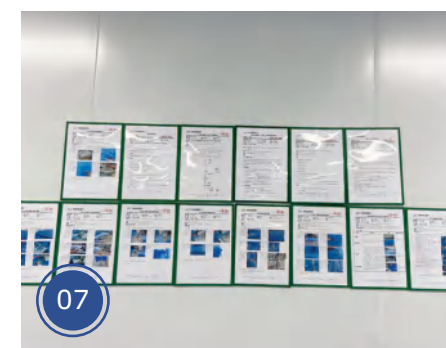

Commitment to quality

Leboo is dedicated to providing high quality products.

- Attenined FDA and CE (MDR 2017/745), the most stringen international standards for medical&PPE disposables.
- Autonomously operated clean rooms with separate air-conditioning, modern facilities and filtering system.
- Quality system: Compliant to ISO13485, with strict control on incoming, producing and outcoming process.

Factory Workflow

		
01 Change shoes	02 Washing Hands	03 Change uniforms
		
04 IQC	05 Material Storage	06 Material Cutting
