## COMPLETION LETTER

Subject: Satisfaction letter for the AGL photometric calibration systems.

Date: February 8/18

TO WHOM IT MAY CONCERN,

This is to hereby certify that **MC UNIVERSAL S.A.S** (Bogota, Colombia) has purchased from Naksys France the photometric Caliber, the BEAMSNAP and Frame Reader SYSTEMS, the latest versions of the mobile and workshop photometric calibration systems for assessing the airfield lighting system for the account of organization CODAD, concessionaire of Eldorado Bogota International airport. CODAD is satisfied with the supplied equipment and are operating on regular basis.

These equipment are manufactured by the company NAKSYS. We also express our satisfaction with regards to the services, the expertise and the continuous support provided by the manufacturer NAKSYS.

The systems have been purchased and installation completed in July 2017, as per order n°1387-17. The total value of the supply is worth 340549 Euros.
