The medical devices above mentioned are classified into class III per rule 8, emended by directive 2005/50/CE, because are implantable medical devices part of a total knee replacement system.

The medical devices above are carried out applying Directive 93/42/EEC (and following modification) Annex II as per conformity certificate nr. 29022A and 29022D released by Notified Body 0476 Kiwa Cermet

MEDACTA INTERNATIONAL SA declares, under its own responsibility:

That the medical devices mentioned above comply with the essential requirements of Annex I of the European Directive 93/42/EEC and following modifications.

That the medical devices mentioned above do not incorporate, as an integral part, a substance or human blood derivate referred to in section 7.4 of Annex I of the European Directive 93/42/EEC.

That the medical devices mentioned above are not manufactured utilizing tissues of animal origin as referred to in the European Directive 2003/32/EC.

*That the medical devices mentioned above do not incorporate as an integral part, a substance which, if used separately, may be considered to be a medicinal product as defined in Article 1 of Directive 2001/83/EC.
That standards and document claimed are listed in the design technical file. The design technical file is archived under the responsibility of the Quality Assurance Manager.*

*MEDACTA INTERNATIONAL SA furthermore declares, under its own responsibility, that procedures have been put in place to guarantee the post-market surveillance and product traceability.
Medacta presents a quality system management as per ISO 13485 nr. MD 659534 released by Notified Body 0086 BSI*
