

RECOMMENDATION LETER

The Italian Embassy in the Republic of Moldova has a collaboration contract with Combat-Service SRL Company in the field of security services, both technical and physical.

During our collaboration, Combat-Service showed responsibility, good execution of the works and troubleshooting very quickly. Combat-Service has been providing security services since 2020.

We have chosen to work with the Combat-Service company because they are receptive to requests, the technicians act quickly to our requests received a quick response and according to the needs.

The guards who ensure the security of the embassy headquarters are punctual and fully perform the basic tasks as evidence of responsibility and good execution of all actions to ensure the integrity of the headquarters and those inside the embassy headquarters.

We can confidently recommend Combat-Service as a company providing security services, guardians ,video monitoring, installation being a reliable partner for us.
