About the Wallom2 lift

The Wallom2 owns a high quality solid lift system with a linear actuator of LINAK®.

- Smooth and soundless lift system
- Robust and strong design
- Lifetime lift (cycle up & down): 10.000

About the Wallom2 castors:

CTOUCH knows that if you choose a mobile lift it should be easy to maneuver the unit. Therefore we chose the state-of-the-art brand castors from TENTE®, one of the world's best manufacturers wheels and castors. The swivel castors, of which two have a wheel brake:

- Are made of high quality synthetic material
- Turns & rolls smoothly, almost soundless
- Leaves no marks while moving
- Are corrosion protected, for a long life span
