

Needle identification & Application

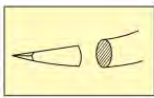

Round bodied

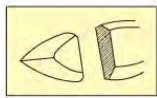

Curved cutting

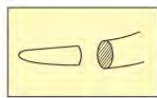

Reverse cutting

Tapercut

Micro-point spatula

Blunt taper point

Needle Shape

Straight

1/2 Circle

3/8 Circle

1/4 Circle

5/8 Circle

PRODUCT CODE GUIDE

SURGICAL SUTURES

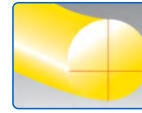

Sutures Materials

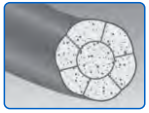

Polyglycolic Acid

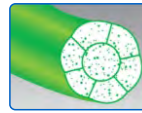

Chromic Catgut

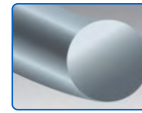

Plain Catgut

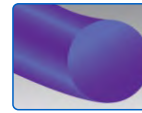

Silk Braided

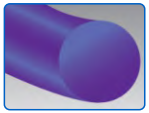

Polyester Braided

Stainless Steel Wire

Nylon Monofilament

Polypropylene Monofilament

Absorbable

- Polyglycolic acid
- Rapide Polyglycolic acid
- Polyglactin 910
- Rapide polyglactin 910
- Poliglecaprone 25
- Polydioxanone
- Chromic catgut
- Plain catgut

Non-absorbable

- Silk braided
- Polyester braided
- Nylon monofilament
- Polypropylene monofilament
- Stainless steel wire
