

To Whom it May Concern

Moldova

24 September 2021

Dear Madame/Sir

Year of Launch and Market Experience

I hereby confirm that

Geno 2 was launched on 4 January 2019

Siya 2 was launched on 20 August 2018

Xceed 3 was launched on 20 August 2019

And these Oticon Instruments have been sold in the EU for more than one year.

The benefit of these instruments has been proven through clinical experience and has been well received by both hearing aid users and audiologists.

Yours sincerely

Oticon A/S

Claus F. Horneman
