From: Semlex Europe S.A.
To: Whom it may concern

Letter of recommendation

Dear Sir / Madam,

It is hereby certified that on 2007 a company Semlex Europe S.A. and the Union of the Comoros have signed a Contract *"Design, managing and production of the official documents of the Union of the Comoros in the form of a Building Operate and Transfer (BOT) contract, including biometric PVC cards, PET-f resident permits, biometric visa, passports, and Border management System"*.

Within terms and conditions of the Contract, UAB "Garsu pasaulis" has been subcontracted by Semlex Europe S.A. for manufacturing of polycarbonate e-ID cards and e-passports. Up to now, 425.000 e-passports and 375.000 e-ID cards were designed, manufactured and delivered by UAB "Garsu pasaulis".

UAB "Garsu pasaulis" manufactures products in time, respecting all terms of the Contract. As far as security documents are concerned, they are in full compliance with the requirements, especially the technical and security specifications.

In view of the above and taking into consideration high professionalism exhibited by UAB "Garsu pasaulis", we strongly recommend this high-security printer and system integrator in implementing any of your high security printing projects.

Sincerely,
