EDUCATION AND TRAINING

09.2019 – Present   Master's degree (information cyber security)

Academy of Economic Sciences of Moldova (ASEM)

09.2017 – 05.2019   Master's degree (information technologies in economy)

Academy of Economic Sciences of Moldova (ASEM)

09.2013 – 05.2017   Bachelor's degree (engineering)

Academy of Economic Sciences of Moldova (ASEM)

COMPETENCE SUMMARY

- Programming languages (C, C++, C#, ASP.NET)
- Operating systems
- Computing systems
- Assembling and troubleshooting PC
- Analysis and synthesis of numerical devices
- WEB development
- Internet & Intranet
- Data Bases (MS SQL Server)
- Computer networks
- Programming Windows applications
- Declarative programming
- Programming structured documents
- Testing program products
- System modeling
- Computer systems design
- Product Program Engineering

- Team spirit gained in participating in organized projects by: "Fondul pentru Tineri Ialoveni" (non-governmental organization)
- Organizational skills
- Analytical thinking
- Critical thinking
- Spirit of analysis
- Decision-making capabilities

- Ability to work efficiently under pressure
- Fitting in terms of works
- Responsibility
- Adaptability and flexibility in different situations
