Subject: Statement of Compliance

TO WHOM IT MAY CONCERN,

Trek Diagnostics System Limited is part of Thermo Fisher Scientific Inc. Our products are currently marketed and sold under the Sensititre™, Thermo Scientific™ brand. All order fulfilment is managed by Trek Diagnostics System Limited located at Units 17-19, Birches Industrial Estate, East Grinstead, West Sussex, post code: RH19 1XZ, England.

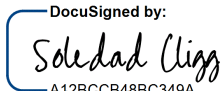

This statement relates to classification and intended use of the product listed in Table 1.

The classification of products is labelled for **Veterinary** use. The product is not classed as IVD medical devices according to the IVDR EU 2017/746 nor are they classed as Medical Devices (EU 2017/745).

Customers are advised to store products at the recommended temperature on receipt in accordance with the product instructions for use (IFU) and / or product specification which detail the parameters of the products. These details are printed on the packaging and available through the Thermo Fisher website.

Should you have any specific questions please do not hesitate to contact the Trek Diagnostic Systems Limited to discuss this matter further.

Yours sincerely,

DocuSigned by:
