

SPEEDY, FEATURE- PACKED SINGLE- FUNCTION COLOUR PRINTERS, IDEAL FOR SMALL OFFICES

i-SENSYS LBP660 Series

Fast and highly productive colour single-function laser printing from feature-packed yet compact printers, perfect for small offices

Customisation

The Canon i-SENSYS LBP664Cx features an Application Library to further increase efficiency by automating and speeding up everyday tasks. Printing stored forms, templates and other basic documents can be undertaken with a single press of a button. The Application Library allows for the creation of a personalised screensaver in standby mode which can display important messages to users. Useful new application functions on the LBP660 series further boost productivity

Mobile connectivity

Small and medium sized business owners and staff on the go require mobile access to printing and scanning from any device. The Canon i-SENSYS LBP660 Series models ensure printing is only ever a tap away via a versatile range of mobile connection options including AirPrint (iOS) and Mopria (Android) support. There is also a range of tools and options to enhance mobile printing available from the Canon PRINT Business app

PRODUCTIVITY
Automatic double-sided printing

Faster print speeds

Time is crucial for small business owners, so Canon has ensured that its i-SENSYS LBP660 Series printers are ultra-quick with a lightning fast output of up to 27 single-sided A4 pages per minute. Regardless of the speed, there is no compromise on quality thanks to the printers' advanced engine – meaning a high-quality output every time

Intuitive touchscreen

Operation is simple. Canon i-SENSYS LBP664Cx boasts a 12.7cm LCD colour touch screen offering access to controls with a simple tap. Installation is easy and instantaneous, and the clear layout makes day-to-day control a breeze.
