

# Certificate

The Quality Management System of

## SAP SE

with the sites according to the annex, complies to and is being applied in conformity with the requirements of:

### ISO9001:2015

The certificate is valid for:

The Quality Management System of SAP SE governing the development of software business solutions and cloud services.

This certificate is based on the report with reference VSHVHAPFAFXJ-12040074-23 and has been issued on 1 November 2019 and will be valid until 1 November 2022.

The management system is subject to annual surveillance audits during the duration of validity of the certificate.

S.M. Keijl, Statutory Director  
PricewaterhouseCoopers Certification B.V.  
Amsterdam, 1 November 2019

This certificate was issued electronically and remains the property of PricewaterhouseCoopers Certification B.V. and is bound by the conditions of the certification agreement. See <http://www.pwc.nl/pwc-certification> for background and limitations of this certificate. This certificate relates to the information security management system, and not to the products or services of the certified organisation. The certificate reference number, the mark of the certification body and/or the accreditation mark may not be shown on products or stated in documents regarding products or services. Promotion material, advertisements or other documents showing or referring to this certificate, the trademark of the certification body, or the accreditation mark, must comply with the intention of the certificate. The certificate does not of itself confer immunity on the certified organisation from legal obligations
