Confirmation Letter Düsseldorf, December 8, 2021

Dear Sirs,

This is to certify Polly-Service Ltd., located at 64, Yevhena Kharchenka, St., Kyiv, is the only authorized distributor for issuance solutions and certified service provider of KIS Global GmbH and Kanematsu Group in Ukraine. In accordance with the active Exclusive International Distribution Agreement Polly-Service Ltd. is authorized to deliver, maintain and support the whole range of Kanematsu / KISG equipment (including but not limited to desktop printer ranges SwiftPro K60, SwiftPro Laminator L10D and software as well as to provide spare parts, consumables and supply materials to the above products.

KIS Global also hereby confirm that the only supplies (and equally spare parts) recommended for Kanematsu equipment manufactured by Kanematsu are the original Kanematsu / KISG supplies and parts. They are made using patented technologies and they comply with the highest safety and quality standards. It is possible to achieve the maximum guaranteed card personalization quality results on Kanematsu machines only when using the original supplies.

We consider the most reliable way to confirm the reliability of supplies and spare parts as sourcing them through our partner on the territory of Ukraine – Polly-Service Ltd. This way we can track each lot of supply material from Kanematsu facility to an end customer's shelf and guarantee its quality and performance as well as ensure its warranty. Please feel free to contact me if any questions arise.

Kind regards,

Uwe Ludwig
