Low Protein Rigatoni

Mayalı Hane Low Protein Rigatoni pasta is produced from low protein flour mixture developed by special production technique of Mayalı Hane.

It does not disintegrate during cooking and does not become doughy and sticky.

In order to provide the lack of vitamin and mineral needs of consumers following low protein diet, it includes calcium, B1, B2 B6 and folic acid. 100 g pasta meets 20% of the daily needs.
