Attn: **Mr. Gheorghe BURDILA**

Dear Mr. Burdila,

Pursuant to GC Clause 24 (Completion of the Facilities) of the General Conditions of the Contract entered into between yourselves and the Employer dated May 30, 2018, relating to the **Procurement of Plant Design, Supply and Installation of Technological upgrade of Pumping Systems using VSD in HOB West**; we hereby notify you that the following parts of the Facilities were complete on the date specified below, and that, in accordance with the terms of the Contract, the Employer hereby takes over the said parts of the Facilities, together with the responsibility for care and custody and the risk of loss thereof on the date mentioned below.

I. Description of the Facilities or part thereof:

The following consistent (general) works were carried out at below-mentioned Objects: installation of a pump, motor, VSD, switchgear, transformers and other electrical equipment, automation of the control system, valves, strainers, piping and electricity supply systems.

Particularly, the following installation/reconstruction works have been performed:

Network Pump CH-8 at HOB West for hot water circulation:

1. Installation of 1 pump, 1 electrical motor and 1 Variable Speed Drive (VSD);
2. Complete power supply system including switchgear, transformers and cables;
3. System automation with a monitoring panel in the control room;
4. Mounting of shutoff valves, check valves, strainers and pipes;
5. Reconstruction of space compartments in the existing plant to accommodate the new electric equipment.

II. Date of Completion: October 16, 2019.

However, you are required to complete the outstanding items listed in the Attachment 1 hereto as soon as practicable.

This letter does not relieve you of your obligation to complete the execution of the Facilities in accordance with the Contract nor of your obligations during the Defect Liability Period.

Very truly yours,

Project Manager
