

Certificate

Product name: Infrared Thermometer
Model/specification: JRT200

Inspector:

Date of inspection:

2020.4.25

Registration No. XXZZ20202070404

Product technical requirements No. XXZZ20202070404

Manufacture License No. XSYJXSGX20200022

The warranty provisions

Warranty coverage

Users share the service of warranty only by purchasing from the original company or distributor authorized by original company. The service of warranty is available only within the warranty period, and for the broken products under normal using condition.

Statement

No warranty is granted in the following cases:

1. The product number recorded on the warranty card does not match the warranty product;
2. Failure and damage due to improper storage (humidity, high temperature, impact, etc.) or force majeure (fire, flood, earthquake, etc.);
3. Any failure or damage caused by not using properly as required by the instructions
4. Failures and damage caused by other equipment;
5. Failure and damage caused by unauthorized modification, removal or repair;
6. Other cases that laws and regulations do not allow.
