CONFIRMATION

We confirm realization of the following contract:

Supplier: Polska Wytwórnia Papierów Wartościowych S. A. ul. Sanguszki 1, 00 222
Warszawa, Poland.

Customer: Asmens dokumentų išrašymo centras prie Lietuvos Respublikos vidaus reikalų
ministerijos, Žirmūnų g. 1D, LT-09239 Vilnius, Lietuva (Identity Documents Personalisation
Centre under the Ministry of the Interior of the Republic of Lithuania, 1D Žirmūnų str., LT-09239,
Vilnius, Lithuania).

Subject of the contract: production and delivery of the ID-3 blanks passport booklets with
contactless chip in the polycarbonate data page plus building and implementation of biometric
passports personalization system with applicable PKI infrastructure for the Republic of Lithuania.

Contract value: over 10 million EUR.

Contract quantity: 760 000 blanks.

Validity of the contract: from 2007 to 2010.

Delivery punctuality: on-time deliveries according to the agreed schedule.

Quality of delivered goods: superior quality and service.

Overall contract performance: excellent.

Contact person from the customer: Andžejus Kudalevas, Deputy Director, phone +370 5 271
8017.

Currently PWPW S. A. provides the contact microprocessor modules with PKI applet SmartApp Sign 2.2. for Lithuanian eID cards and contactless microprocessor modules with ICAO application SmartApp-ID 3.1 for Lithuanian eID cards and residence permits.

PWPW S. A. also provides IT solutions dedicated to eID and biometric passports. To mention a few: middleware for Lithuanian eID cards and prepersonalisation scripts, used in personalisation process of Lithuanian eID cards. The PWPW S.A. is one of the suppliers group according to the Agreement which was signed in 2016.

Sincerely,

Andžejus Kudalevas
Deputy Director
