Letter of reference for Polska Wytwórnia Papierów Wartościowych S.A.

Polska Wytwórnia Papierów Wartościowych S.A. (PWPW SA) is currently implementing a contract for the supply of 348.000 pcs of electronic passports (6 types) for the Republic of Iceland. So far, they have executed the first delivery of passports.

Polska Wytwórnia Papierów Wartościowych SA won this contract after a competitive call for tender administered by the Central Public Procurement of Iceland.

These products were delivered in a timely manner, under the schedule specified and based on the contract requirements. Polska Wytwórnia Papierów Wartościowych SA is a reliable partner, ensuring perfect fulfilment of obligations assumed while maintaining high quality of delivered products.

On behalf of Registers Iceland,

Porrarður Kári Ólafsson
Program Manager ID and Travel Documents
