

Personnel Certification Body
ENERGODIAGNOSTIKA

Certificate of Achievement

№ 0049-02-NCMD-MD

Date of renewal: December 10, 2021
Expiry date: December 10, 2024

This is to certify that

Glazunov Oleg

has successfully completed an educational course, has maintained the required attendance and has demonstrated the required knowledge by passing the qualification examination, according to ISO 9712:2012, a special training program and Energodiagnostika Co. Ltd. recommended practice for

**NON-CONTACT MAGNETOMETRIC DIAGNOSTICS
OF BURIED PIPELINES BASED ON
THE METAL MAGNETIC MEMORY METHOD**

Course dates: June 28 – June 29, 2018

Prof. Dubov A.
General Director of
Energodiagnostika Co. Ltd.

Kolokolnikov S.
Head of Certification
Body of NDT Personnel

Moscow, Russia

Общество с ограниченной ответственностью
"ЭНЕРГОДИАГНОСТИКА"

Сертификат специалиста № БМД-239-02МД

Фамилия Глазунов
Имя Олег
Отчество Николаевич
Год рождения 1982

Подпись владельца

Подпись руководителя

Сертификат специалиста № БМД-239-02МД

Дата выдачи 10.12.2021

Срок действия до 10.12.2024

Настоящий сертификат удостоверяет, что специалист прошел курс подготовки по теме "Бесконтактная магнитометрическая диагностика подземных трубопроводов с применением приборов контроля серии ИКН и специализированных сканирующих устройств"

Компетенция специалиста распространяется на бесконтактную магнитометрическую диагностику трубопроводов, расположенных под слоем грунта, с использованием приборов типа ИКН и специализированных сканирующих устройств (производитель ООО "НТЦ "Энергодиагностика")
