

## **BIOMAG®**

### **Products**

#### **Biomag® Lumina**

**1,34 kg**

Description: EASY, battery incl., outputs 3/1, 3D programs 1, 2, 31, 32, belt PL5, tester, power cord 1,5m, including user manual

Description: CLINIC, battery incl., outputs 3/1, 108 3D programs, belt PL5, tester, power cord 3m, including user manual

#### **Biomag® Lumina**

**1,20 kg**

Description: EASY, battery excl., outputs 3/1, 3D programs 1, 2, 31, 32, belt PL5, tester, power cord 1,5m, user manual

Description: CLINIC, battery excl., outputs 3/1, 108 3D programs, belt PL5, tester, power cord 3m, user manual

#### **Biomag® Lumio**

**0,56 kg**

Description: QUATRO, 4 programs, tester, user manual, cardboard case, power adapter

#### **Biomag® LightFit**

**0,60 kg**

Description: UNO, 3 programs, user manual, tester, power adapter

Description: DUO, 3 programs, user manual, tester, power adapter

**L8319 AL79-2C-COMBI** 1,40 kg

**Two-piece applicator with alternating activation of its parts, with an opening for combined application and for fixation suitable for Biomag® Lumina, Lumio**

Parameters: wide. 430 mm, length. 790 mm, high. 28 mm, MIMP 4 mT, weight 1,4 kg

**L8314 AL80** 1,55 kg

**Three-piece applicator which allows fixation, suitable for Biomag® Lumina, Lumio, LightFit DUO**

Parameters: wide. 380 mm, length. 800 mm, high. 34 mm, MIMP 3,5 mT, weight 1,55 kg

**L8312 AL95-2C** 1,80 kg

**Two-piece applicator with alternating with alternating activation of its part, suitable for Biomag® Lumina, Lumio, LightFit DUO**

Parameters: wide. 460 mm, length. 950 mm, high. 34 mm, MIMP 4 mT, weight 1,8 kg

**L8315 AL96-2C** 3,58 kg

**Two-piece applicator with alternating with alternating activation of its part, suitable for Biomag® Lumio**

Parameters: wide. 460 mm, length. 960 mm, high. 34 mm, MIMP 20 mT, weight 3,58 kg

**L8326 AL115-3D** 2,10 kg

**Three-piece applicator with 3D pulses and openings for combined applications, suitable for Biomag® Lumina**

Parameters: wide. 430 mm, length. 1 150 mm, high. 28 mm, MIMP 4 mT, weight 2,1 kg

**L8320 AL115-3D-COMBI** 2,10 kg

**Three-piece applicator with 3D pulses and openings for combined applications , allowing connection into a closed shape for rotary applications and following fixation, suitable for Biomag® Lumina**

Parameters: wide. 430 mm, length. 1 150 mm, high. 28 mm, MIMP 4 mT, weight 2,1 kg

**L8310 AL135** 1,90 kg

**Three-piece applicator, suitable for Biomag® Lumina, Lumio, LightFit DUO**

Parameters: wide. 460 mm, length. 1 350 mm, high. 25 mm, MIMP 1,2 mT, weight 1,9 kg

### **Applicator - solenoid**

#### **L8401 SL19**

**1,25 kg**

**Flexible solenoid, suitable for Biomag® Lumina, Lumio, LightFit DUO**

Parameters: Ø 190 mm, length. 310 mm, MIMP 3 mT, weight 1,25 kg

#### **L8408 SL20-3D**

**2,00 kg**

**Solenoid with 3D field for rotary applications Ø 20cm, suitable for Biomag® Lumina**

Parameters: Ø 200 mm, length. 140 mm, MIMP 16 mT, weight 2 kg

#### **L8402 SL29**

**1,30 kg**

**Oval solenoid, suitable for Biomag® Lumina, Lumio, LightFit DUO**

Parameters: Ø 290 mm, length. 80 mm, MIMP 4 mT, weight 1,3 kg

#### **L8403 SL30-P**

**2,55 kg**

**Solenoid with flat bottom Biomag® Lumina, Lumio, LightFit DUO**

Parameters: Ø 300 mm, length. 170 mm, MIMP 5 mT, weight 2,55 kg

#### **L8409 SL30-3D**

**3,50 kg**

**Solenoid with 3D field for rotary applications, suitable for Biomag® Lumina**

Parameters: Ø 300 mm, length. 340 mm, MIMP 4 mT, weight 3,5 kg

#### **L8404 SL45-P**

**2,95 kg**

**Solenoid with flat bottom, suitable for Biomag® Lumina, Lumio, LightFit DUO**

Parameters: Ø 450 mm, length. 120 mm, MIMP 2 mT, weight 2,95 kg

#### **L8405 SL50-P**

**8,75 kg**

**Solenoid with flat bottom, suitable for Biomag® Lumina, Lumio, LightFit DUO**

Parameters: Ø 500 mm, length. 340 mm, MIMP 1,5 mT, weight 8,75 kg

#### **L8406 SL60-P**

**12,20 kg**

**Solenoid with flat bottom, suitable for Biomag® Lumina**

Parameters: Ø 600 mm, length. 340 mm, MIMP 1,5 mT, weight 12,2 kg

#### **L8407 SL70**

**13,35 kg**

**Solenoid designed for attachment to an adjustable table, suitable for Biomag® Lumina**

Parameters: Ø 700 mm, length. 300 mm, MIMP 2 mT, weight 13,35 kg
