

SILICONE THORACIC DRAIN

Superior Compatibility for Chest Drainage

THORACIC
SURGICAL
SERIES

SILICONE THORACIC DRAIN

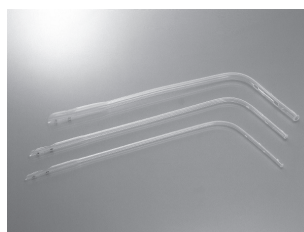

Fortune® Silicone Thoracic Drain Features:

- 100% medical grade silicone for superior biocompatibility.
- Superior strength reduces risk of tearing or breaking.
- Clear, quality silicone provides inspection and drainage visibility.
- Soft, kink-resistant silicone conforms easily to anatomy for improved patient comfort.
- X-ray opaque line.
- Beveled tip and smoothed shaft can minimize trauma during insertion and withdrawal.
- Enlarged drainage holes maximize drainage and prevent clog.
- Expanded/expandable funnel connects easily with larger O.D. connector for further fluid collection.
- Three types are available:
 - S type: Straight type
 - SF type: Straight type with funnel
 - RF type: Right angle type with funnel
- Sterilized double packaging.
