| <b>USE:</b><br>Cockroach control.  | <b>DISTRIBUTOR:</b><br>Plastdiversity Lda<br>Rua dos Alentojeiros 136, ap4<br>3091-902 Marinha das Ondas<br>Portugal<br>PH: +351 233 959 490<br>MAIL: plastdiversity@hotmail.com |                                     |                           |
| <b>FORM:</b><br>Tablet with 10 pills each.   |  |                                     |                           |
| <b>2. HAZARD IDENTIFICATION</b>  |  |                                     |                           |
| <b>PRIMARY ROUTES OF ENTRY:</b> None   |  |                                     |                           |
| <b>3. COMPOSITION/INFORMATION ON INGREDIENTS</b>   |  |                                     |                           |
| <b>COMPOSITION:</b><br>Permitted food ingredients plus a trace quantity of a bitter tasting ingestion detergent.   | <b>% BY WEIGHT:</b><br>N/A   | <b>CAS NO.:</b><br>N/A              | <b>EC NO.:</b><br>N/A     |
| <b>4. FIRST AID MEASURES</b>   |  |                                     |                           |
| <b>EYE CONTACT:</b> Rinse eyes with copious amounts of water. If irritation occurs seek medical advice.  |  |                                     |                           |
| <b>SKIN CONTACT:</b> Wash hands thoroughly after handling tablets. Prolonged contact with the tablet may cause irritation. If irritation occurs seek medical advice.   |  |                                     |                           |
| <b>INHALATION:</b> If adverse effects are felt, remove patient to fresh air. If symptoms persist seek medical advice.  |  |                                     |                           |
| <b>INGESTION:</b> Do not induce vomiting. Due to the ingestion deterrent a bitter taste will persist for a while. Although unpleasant this is harmless and will wear off with time. If feeling unwell after ingestion seek medical advice. |  |                                     |                           |
| <b>SYMPTOMS:</b> None  |  |                                     |                           |
| <b>ADVISE TO PHYSICIAN:</b> N/A  |  |                                     |                           |
| <b>5. FIRE-FIGHTING MEASURES</b>   |  |                                     |                           |
| <b>EXTINGUISHING MEDIA:</b> Extinguish with water, CO <sub>2</sub> or dry powder.  |  |                                     |                           |
| <b>MEASURES UNSUITABLE FOR SAFETY REASONS:</b> None.   |  |                                     |                           |
| <b>PROTECTIVE EQUIPMENT:</b> Firefighters should be equipped with protective clothing and self-contained breathing apparatus.  |  |                                     |                           |
| <b>6. ACCIDENTAL RELEASE MEASURES</b>  |  |                                     |                           |
| <b>PERSONAL PROTECTION:</b> Not required.  |  |                                     |                           |
| <b>ENVIRONMENTAL PROTECTION:</b> N/A.  |  |                                     |                           |
| <b>CLEAN UP AND DISPOSAL:</b> In case of spillage, collect tablets, seal in a suitable container and remove.   |  |                                     |                           |

| 7. HANDLING AND STORAGE   |  |  |                                 |
