This is to certify that the above batch/es of product contain(s) the level of active ingredient indicated and that all properties conform to the BASF release specification.

The aforementioned data shall constitute the agreed contractual quality of the product at the time of passing of risk. The data are controlled at regular intervals as part of our quality assurance program. Neither these data nor the properties of product specimens shall imply any legally binding guarantee of certain properties or of fitness for a specific purpose. No liability of ours can be derived therefrom.

This Certificate of Analysis has been generated automatically and is valid without signature.
