

## DISPOSABLES IMAGE GUIDED SURGERY

### | 41773 | DISPOSABLE REFLECTIVE MARKER SPHERES (90 PCS)

From NDI, the authorized Brainlab partner for disposable reflective marker spheres.

Approved by Brainlab, for use with all Brainlab IGS systems. Localization sphere coated with IR-light, retro-reflective foil:

- Single use, ethylene oxide (ETO) pre-sterilized
- 30 units with 3 spheres per unit
- Increased OR efficiency due to omission of sterilization
