The place where a supplier or customer belongs will determine where the service is supplied and who accounts for any VAT due in the following cases. In this particular case, as it is a B2B supply, the place of taxable supply will be determined by where the customer belongs. As it is out of the UK, SITA Advanced Travel Solutions Ltd. will charge no VAT. However, the customer should note that the supply may be subject to Moldovan VAT under the reverse charge provisions.
