

# Quality Management System Certificate

Certificate Number:00225Q24472R1L

CQM hereby certifies that

## Hangzhou Hikvision Digital Technology Co., Ltd.

Unified Social Credit Identifier: 91330000733796106P

Domicile:No.555, Qianmo Road, Binjiang District, Hangzhou City, Zhejiang, P.R.China

Certified Address 1:No.555, Qianmo Road, Binjiang District, Hangzhou City, Zhejiang, P.R.China

Certified Address 2:No.700, Dongliu Road, Binjiang District, Hangzhou City, Zhejiang, P.R.China

Certified Address 3: No.299, Qiushi Road, Tonglu Economic Development Zone, Tonglu County, Hangzhou City, Zhejiang, P.R.China

Certified Address 4:No.118, Haikang Road, C Area, Jianqiao Industrial Park, Dadukou District, Chongqing, P.R.China

with other sites constitute a single management system conform to

**GB/T 19001-2016/ISO 9001:2015**

This certificate is valid to the following scope:

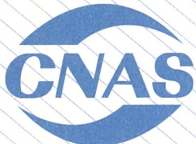

Design, development, production and maintenance service of video sensing products, enhanced storage and computing solutions, augmented display systems, improved connectivity devices, control and execution equipment, mobile transportation systems, audio processing units, fiber optic sensing technologies, interactive interface enhancements, and other specialized products. R&D, integration, and maintenance services for network security systems, database architectures, security software, firewall solutions, commercial cryptography products, parking management platforms, and secure access control systems. System integration for information infrastructure. Sales of communication cables

Information of sites refer to the attachment

(The information of this certificate can be inquired on [www.cnca.gov.cn](http://www.cnca.gov.cn) or website of CQM. The continual validity of the certificate can be checked by Certificate Confirmation of surveillance.)

# Quality Management System Certificate

Certificate Number:00225Q24472R1L

Attachment ( Page 1 of 1 )

Organization	Certification Address	Scope of the site
Hangzhou Hikvision Digital Technology Co.,Ltd.	Registration Address: No.555, Qianmo Road, Binjiang District, Hangzhou City, Zhejiang, P.R.China Certification Address 1: No.555, Qianmo Road, Binjiang District, Hangzhou City, Zhejiang, P.R.China Certification Address 2: No.700, Dongliu Road, Binjiang District, Hangzhou City, Zhejiang, P.R.China Certification Address 3: No.299, Qiushi Road, Tonglu Economic Development Zone, Tonglu County, Hangzhou City, Zhejiang, P.R.China Certification Address 4: No.118, Haikang Road, C Area, Jianqiao Industrial Park, Dadukou District, Chongqing, P.R.China	Design, development, production and maintenance service for video perception products, enhanced storage and computing solutions, augmented display systems, improved connectivity devices, control and execution equipment, mobile transportation systems, audio processing units, fiber optic sensing technologies, interactive interface enhancements, and other specialized products. R&D, integration, and maintenance services for network security systems, database architectures, security software, firewall solutions, commercial cryptography products, parking management platforms, and secure access control systems. System integration for information infrastructure. Sales of communication cables. The scope of coverage is detailed in the appendix to the certificate
Hangzhou Hikvision Technology Co.,Ltd.	Registration Address: Building 2, No.700, Dongliu Road, Binjiang District, Hangzhou City, Zhejiang, P.R.China Certification Address 1: No.700, Dongliu Road, Binjiang District, Hangzhou City, Zhejiang, P.R.China Certification Address 2: No.299, Qiushi Road, Tonglu Economic Development Zone, Tonglu County, Hangzhou City, Zhejiang, P.R.China	Design, development, production and maintenance service for video perception products, enhanced storage and computing solutions, augmented display systems, improved connectivity devices, control and execution equipment, mobile transportation systems, audio processing units, fiber optic sensing technologies, interactive interface enhancements, and other specialized products. R&D, integration, and maintenance services for network security systems, database architectures, security software, firewall solutions, commercial cryptography products, parking management platforms, and secure access control systems. System integration for information infrastructure. Sales of communication cables. The scope of coverage is detailed in the appendix to the certificate
Hangzhou Hikvision Electronics Co.,Ltd.	Registration Address: No.299, Qiushi Road, Tonglu Economic Development Zone, Tonglu County, Hangzhou City, Zhejiang, P.R.China Certification Address: No.299, Qiushi Road, Tonglu Economic Development Zone, Tonglu County, Hangzhou City, Zhejiang, P.R.China	Design, development, production and maintenance service for video perception products, enhanced storage and computing solutions, augmented display systems, improved connectivity devices, control and execution equipment, mobile transportation systems, audio processing units, fiber optic sensing technologies, interactive interface enhancements, and other specialized products. R&D, integration, and maintenance services for network security systems, database architectures, security software, firewall solutions, commercial cryptography products, parking management platforms, and secure access control systems. System integration for information infrastructure. Sales of communication cables. The scope of coverage is detailed in the appendix to the certificate
Chongqing Hikvision Technology Co.,Ltd.	Registration Address: No.118, Haikang Road, C Area, Jianqiao Industrial Park, Dadukou District, Chongqing, P.R.China Certification Address: No.118, Haikang Road, C Area, Jianqiao Industrial Park, Dadukou District, Chongqing, P.R.China	Design, development, production of video sensing products, enhanced in-memory computing (IMC), products for execution and control, products for audio. The scope of coverage is detailed in the appendix to the certificate
