Packaging & Packaging Waste Declaration

Manufacturer: Name: Avantis Education Ltd.
Address: Unit 2-3, The Glenmore Centre, Waterwells Business Park, Quedgeley, Gloucester. GL2 2AP. UK

Equipment: Model No: CVR264-CRS-8; CVR264-CRS4; CVR264-CRS8-A; CVR3128-CRS-8;
CVR3128-CRS2-8; CVR6128-CRS2-4

Description: Packaging & Packaging Waste

This declaration formally outlines the supply chain and material composition of the packaging used for Avantis Education products, specifically the ClassVR product packaging. Avantis Education Ltd utilizes packaging sourced from FSC-certified suppliers, underscoring our commitment to sustainable and responsible forestry practices, aligning with our dedication to environmentally conscious manufacturing.

Cardboard used in our packaging is composed of approximately **80% recycled pulp**, with the remaining content being approximately **20% wood pulp**. We further confirm that all packaging is labelled appropriately, including the outer cardboard, marked with "PAP 20," and the inner moisture-protective plastic bag, made from LDPE, and marked accordingly.

The inks used for printing on our packaging fully comply with EU standards, ensuring safety and environmental sustainability. Additionally, the cumulative content of heavy metals in the cardboard adheres to EU regulations, not exceeding 100 mg/kg of packaging mass.

Avantis Education remains committed to maintaining the highest environmental and quality standards across our entire supply chain and operations.
