## **Recommendation Letter**

**The International Organization for Migration (IOM), Mission in the Republic of Moldova,** hereby issues this letter of recommendation in reference to the performance of **KVM Cons SRL,** which has successfully implemented **Construction works for the Otaci Border Police Sector within the period 27 January 2025 – 31 March 2026,** under an agreement with IOM.

KVM Cons SRL demonstrated a high level of professionalism and compliance with the technical specifications, quality standards, and contractual provisions established for the project. The works were executed effectively and in accordance with the approved schedule, with all deliverables completed within the agreed timelines.

IOM notes with appreciation the company's constructive engagement, timely reporting, and proactive approach to addressing operational matters. Any issues encountered were managed promptly and, in a manner, consistent with good engineering practices and IOM's operational requirements.

Based on the positive performance demonstrated during the implementation of the above-mentioned works, the **International Organization for Migration, Mission in Moldova, is pleased to recommend KVM Cons SRL** for future construction, rehabilitation, or infrastructure-related assignments.
