For any information you may require or if you wish to communicate a new e-mail address or fax number dedicated to receiving Material Safety Data Sheets, please contact Customer Service (inver@sherwin.com or fax +39051322000 or phone number +390516380411).

---

Dear Sir or Madam

Enclosed you will find safety data sheets for the following products:

**32075  
44755  
60050  
66024  
88674  
FSF0E0002  
NSF8E0001**

The information contained in the Material Safety Data Sheets is based on our best knowledge of the product on the date of issue. This information is the most appropriate and safest way. This information is not intended as quality assurance or specification of the product. It only refers to the material combination with other materials or in other processes not specifically mentioned in this Material Safety Data Sheet.

The information contained in the Material Safety Data Sheets may undergo amendments due to possible changes in the test and analysis method or manufacturing processes or due to regulatory updates. In case of any amendments, you will be provided with the updated issues of the relevant Material Safety Data Sheets.

Dealers and users are responsible for compliance with the local laws in force on health and safety measures at work, storage and transport of the products at issue.

Kind regards

INVER SPA CON UNICO SOCIO

Since this letter has been electronically released, it is not signed.
