

Windsor, UK

Warranty on Keeler (and Keeler sold) Products.

The Warranty on Keeler products is as follows:

KSL Slit Lamp	3 Years
Hand Held (Keeler Manufactured)	3 Years
Indirect Ophthalmoscopes	3 Years
Jazz	3 Years
Loupes	3 Years
K-LED	2 Years
Tonometers (Pulsair & KAT)	2 Years
PSL	2 Years
Cryomatic	2 Years
PSU (EP29-32777)	1 Year
Battery	1 Year
Volk Pictor	1 Year (Battery 6 months)
Frames	1 Year
Factored	1 Year
Bulbs	No Warranty – 3 month Goodwill

Warranty covers manufacturers defects only, it does not cover misuse, fair wear & tear or cleaning.

Warranty action is based on return to Keeler for repair/replacement at our discretion.

Replacements are generally new items but may be refurbished units with no significant time in the field (repaired warranty returns)

Warranty on factored products is again return to base except where this is clearly impractical – refraction stands for instance.

We do not advance ship replacements to distributors unless exceptional circumstances exist. Distributors should hold stock of Keeler items.

Signed for and on behalf of Keeler Ltd
