Declaration of Classification as Foods for Special Medical Purposes in the Czech Republic

We hereby confirm that the Nutrego products listed below comply with the requirements of **Regulation (EU) No 609/2013 of the European Parliament and of the Council** on food for special medical purposes, as well as all relevant delegated and implementing regulations.

The products specified in this declaration are classified as **Foods for Special Medical Purposes (FSMP)** and are manufactured and marketed in accordance with all applicable EU and Czech legislation governing this category.

The products, together with their corresponding **SÚKL codes**, are listed in the **publicly accessible registry of FSMP** maintained by the **State Institute for Drug Control (SÚKL)**, available at: https://prehledy.sukl.cz/prehled_leviv.html - /

They are also listed in the **Public Register of Notified Foods** maintained by the **Ministry of Health of the Czech Republic**, available at: <https://eregpublicsecure.ksrzis.cz/Registr/ROP/Potravina>. The products appear in this register under the respective administrative file numbers (“číslo jednací”) and are publicly available for verification.
