Certificate of Origin

To: Whom It May Concern

Astrophysics, the exclusive manufacturer of X-Ray Inspection Systems (XIS) and ARGON Metal Detectors and service provider of CEIA Metal Detectors based at 21481 Ferrero Parkway, City of Industry, California 91780, USA, affirms the following:

The XIS-6040 x-ray system is a genuine Astrophysics x-ray product designed, manufactured, and assembled in the USA.

Availability of spare parts for the XIS-6040 is for at least ten (10) years from date of installation, testing, and commissioning.

As the manufacturer of the XIS-6040 x-ray inspection system, we guarantee our full cooperation to manufacture and supply our products pending review and approval of contract award terms.
