

TO WHOM IT MAY CONCERN

I am pleased to write this letter of reference for AXA Management Consulting Ltd on behalf of UNDP's project "Support for the Parliamentary Development in Moldova".

AXA Management Consulting Ltd was contracted to conduct a 5-days training course on Strategic Planning for a group of 44 staffers of the Parliament of Moldova in September 2010.

The course was performed in a professional and efficient way. AXA Management Consulting Ltd was well represented by its staff, and was flexible and pro-active in conducting the training sessions.

AXA Management Consulting Ltd has demonstrated a strong conceptual and practical knowledge and understanding of the instrument of Strategic Planning. The course was very useful for the Parliament in developing its own Strategic Plan.

Sincerely,

Johan Hommes
