* În temeiul art. 32 Legii nr. 131 din 03.07.2015 privind achizițiile publice, termenul de așteptare pentru semnarea contractelor constituie 11 zile; contractele de achiziții publice încheiate înainte de termenul indicat sunt lovite de nulitate. Vă atenționăm că în conformitate cu documentația standard, la momentul încheierii contractului operatorul economic desemnat câștigător va prezenta garanția de bună execuție aferentă contractului/contractelor de achiziții publice în adresa CAPCS. Contractele neînsoțite de garanția de bună execuție nu vor fi acceptate! Totodată, în termen de 5 zile de la data comunicării rezultatelor procedurii de achiziție publică, ofertantul desemnat câștigător va prezenta Declarația privind confirmarea identității beneficiarilor efectivi și neîncadrarea acestora în situația condamnării pentru participarea la activități ale unei organizații sau grupări criminale, pentru corupție, fraudă și/sau spălare de bani, în conformitate cu prevederile Ordinului Ministerului Finanțelor nr. 145/2020.

** Semnarea contractelor va începe la data de 26.10.2021, iar numărul maxim de zile pentru semnarea și prezentarea contractelor (semnate atât de operatorii economici desemnați câștigători, cât și de beneficiari) la sediul CAPCS este de 20 zile (data-limită – 15.11.2021). Vă informăm în privința posibilității semnării contractelor prin aplicarea semnăturii electronice avansate calificate, cu excepția contractelor care trebuie înregistrate obligatoriu la una din trezoreriile regionale ale Ministerului Finanțelor, în conformitate cu actele normative în vigoare. În cazul contractelor semnate pe suport de hirtie (prin aplicarea semnăturii și ștampilei părților semnatare) se va indica data semnării contractelor - 26.10.2021. În cazul contractelor semnate prin aplicarea semnăturii electronice avansate calificate (obligatoriu de toate părțile semnatare), data semnării contractelor trebuie să coincidă cu data aplicării primei semnături electronice, care urmează a fi aplicată nu mai devreme de data de 26.10.2021.
