CHROMATOGRAPHIC IMMUNOASSAY (RAPID TEST)

HANGZHOU ALLTEST BIOTECH CO., LTD. has a solid foundation with top-notch industry professionals, having proven expertise in innovation management including new introductions, be it a product or be it industry transforming process developments. We have been witness to as well as been part of core teams that have been responsible for transformations, which are critical to today's rapid tests as well as POCT business.

Some of them include industry-leading design control systems that are responsible for innovative products with high quality as well as validations protocols that form the core of stringent quality assessment systems.

HANGZHOU ALLTEST BIOTECH CO., LTD. has been created with the sole objective of benefitting the stakeholders in the healthcare industry with major stake in POCT business including Rapid Tests.

HANGZHOU ALLTEST BIOTECH CO., LTD. is committed to bring Innovative Solutions including convergence of Rapid Tests' ease with the power of modern day electronics, thereby helping the creation of new technological platforms as well as business processes that unlocks the true potential of amalgamation of technology and commerce with new milestones in techno-commercial sectors of POCT industry.

In a nutshell, with HANGZHOU ALLTEST BIOTECH CO., LTD. , you can "Relax" and leave the worries of today and tomorrow with better solutions for you than solutions available today.
