

Bio-Rad Laboratories, Inc.

Certificate of Analysis

Material Description:	Chelex 100 Resin, 200-400, MB, Na, 50g
Material Number:	1421253
Control Number:	64497756
Manufacture Date:	2022-07-14
Expiration Date:	2025-04-13
Manufacturing Lot No.:	64474094

Characteristic	Specification		Results
	Lower Limit	Upper Limit	
pH	10	12	11 Pass
Copper capacity	0.3		0.4 meq/ml Pass
Percent shrinkage: informational			51 %
Wet density: informational			0.69 g/ml
Particle size < 75 µm		5	0 % Pass
Particle size > 150 µm		10	7 % Pass
Total out of range		10	7 % Pass
T4 Ligation			Pass

This certificate is approved using a validated electronic system in accordance with 21 CFR Part 11.
