Confirmation Spare Parts Availability

Dear Sir or Madam,

We, Siemens Healthineers AG, with principal place of business at Siemensstraße 3, 91301 Forchheim, Germany hereby confirm that our affiliate Siemens Shenzhen Magnetic Resonance Ltd. is the legal manufacturer of ARTIS One ("Goods"), manufactured in China and Germany.

We hereby confirm that subject to separate contract, spare parts for the hardware of the Goods offered will in general be available for purchase for at least 10 years from date of shipment, but not later than Dec. 31st, 2036.

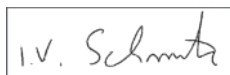

For any spare parts manufactured or delivered by third parties in whole or in part, we will use reasonable efforts to maintain their availability during such period, although supply shortages cannot always be excluded. Spare part availability might require purchasing upgrades for your system in the future.

The spare parts are original or compatible replacement solutions that fulfill the same function. The spare parts are either new or in like new condition. Both types of spare parts fulfill the same functional specifications, confirmed by a final quality test for a minimum period of 7 years from delivery.

We will announce EOS/EoD (End of Product Support/End of Service Parts Delivery) at least 12 months in advance via Vivamed International S.r. L.

Sincerely yours,
Siemens Healthineers AG
