## Proof of comparable experience in the supply of Mobile Catering Systems

To whom it may concern,

We hereby confirm that our company possesses extensive and relevant experience in the supply and distribution of mobile catering systems. Our expertise is built on a strong foundation of successful projects involving both the proven MFK 1 model and its advanced successor, the MFK 2.

As a long-standing partner for government agencies, emergency services (BOS), and international humanitarian organizations, we have successfully delivered high-performance catering solutions worldwide. The following table summarizes our deliveries between 2023 and 2025, demonstrating the technical suitability and market-leading position of our systems:

Year	Country	Client	System Type	Qty
2023	Austria	Austrian Red Cross	MFK 2	1
2023	Germany	THW (Federal Agency for Technical Relief)	MFK 1	1
2023	Germany	City of Brandenburg / Dessau-Roßlau	MFK 2	2
