Dear Sirs,

Letter of Authorization – Tender # ocds-b3wdp1-MD-1633432729025

We hereby confirm that 'FORS-Computer SRL' with offices at 18, Sfatul Tsarii str., Kishinev MD2012, Republic of Moldova is authorised to supply Sepura products and sub-licence Sepura software for the benefit of its customers in Moldova, in accordance with our standard terms of business.

The authorisation does not extend consent to enter into any contract, arrangement, licence, or any other commitment that would otherwise be legally binding on Sepura, or to agree to any commercial or financial transaction of whatsoever nature on Sepura's behalf without Sepura's fully informed prior written consent.

I trust that the above is sufficient for your purpose, but should you require any additional information, or should any point require further clarification, please do not hesitate to contact me at your convenience.

TETRA Interoperability Certificate

**Motorola Solutions, Dimetra IP R9.0, SwMI –
Sepura, SC20, Terminal**

Kraków, September 2017

Latest Certified SwMI SW Release:	R9.0	Latest Certified Terminal SW Release:	1746 019 08522
Latest Certified SwMI HW Release:	Dimetra IP R9.0	Latest Certified Terminal HW Release:	TP01STW

ISCTI (Istituto Superiore delle Comunicazioni e delle Tecnologie dell'Informazione) certifies, that the Motorola Solutions, Dimetra IP R9.0, SwMI and the Sepura, SC20, terminal have been subject to interoperability testing for the “certified” features listed on second page of this certificate, in accordance with the TETRA Interoperability Profiles, TIP compliance Test Plan and related TETRA interoperability requirement tables.

The table lists all the available TETRA interoperability profiles, and summarizes the main functionalities of every profile according to the TETRA interoperability requirement tables.

A feature is “Certified” when it has been successfully tested during the last test session with one of the testing method described in the TETRA process document part 1 (TPD001-01).

A breakdown into the feature details is given in the Feature Compliance Overview section of this certificate.

This certificate has been issued following a multiple test session between Motorola Solutions and Sepura on September 2017. Detailed test results are listed in the Test Report associated to this Certificate. Details and explanation about the procedure used to provide verdicts are in the TIC process TPD001-01.
