

Latent Fingerprint Developing

Fiber Duster

Our Fiber Dusters are hand-made by us using the finest fiberglass filaments. Featuring a polymeric balanced handle these brushes have just the right feel. Perfect for non-abrasive application using any regular powders.

The new Fiber Duster Smooth sports a red cap and provides 40% less distortion. See video demonstration at www.lynnpeavey.com.

Item #	Description
05539	Fiber Duster (black), 6.5"
55539	Jumbo Fiber Duster
