Letter of Statement – Authorized Distributor of Sulzer Austria GmbH

Sulzer Austria GmbH, a subsidiary of Sulzer AG, hereby confirm that

THETYS PUMPS SRL
Strada Comana nr. 3
Sector 1, București, cod. 011273
Romania

has been appointed as authorized distributor of the Sulzer Business Unit Water in the territory Romania.

The Sulzer Business Unit Water comprises products – which are part of the agreement signed between Sulzer Austria GmbH and THETYS PUMPS SRL - for wastewater collection, wastewater treatment, domestic and commercial wastewater, dewatering and clean water applications.

In its role as authorized distributor THETYS PUMPS SRL sells new Sulzer products and the related spare parts as well as carry out services and repairs for these products.

We would like to advise that all products, spare parts, repair work and services that have been provided by a third party and not channeled by the authorized distributor will not be accepted by the authorized distributor and all warranty and other obligations will be explicitly disclaimed.

Best regards,
Sulzer Austria GmbH
