

# AER CONDITIONAT INVERTER

## CONTER BREEZE

### Specificatii tehnice **9000 BTU**

| Model                    |                                 |         | CONTER BREEZE 09 INV     |
|--------------------------|---------------------------------|---------|--------------------------|
| Denumire model Midea     |                                 |         | MSAFBU-09HRDN8-QRD0GW[N] |
| Unitate Interioara       |                                 |         | MSAFBU-09HRDN8-QRD0GW    |
| Unitate Exterioara       |                                 |         | MOX133-09HFN8-QRD0GW     |
| Alimentare               |                                 | Ph-V-Hz | 220-240V,1Ph,50Hz        |
| Racire nominala          | Capacitate                      | Btu/h   | 9000 (3100~11600)        |
| Putere racire intrare    |                                 | W       | 732 (100~1240)           |
| Curent racire            |                                 | A       | 3.18 (0.4~5.4)           |
| Incalzire nominala       | Capacitate                      | Btu/h   | 10000 (2800~11500)       |
| Putere incalzire intrare |                                 | W       | 733 (120~1200)           |
| Curent incalzire         |                                 | A       | 3.18 (0.5~5.2)           |
| Racire sezoniera         | Pdesignc                        | kW      | 2.8                      |
|                          | SEER                            | WW      | 6.3                      |
|                          | Clasa eficienta energetica      |         | A++                      |
| Incalzire(medie)         | Pdesignh                        | kW      | 2.6                      |
|                          | SCOP                            | WW      | 4.0                      |
|                          | Clasa eficienta energetica      |         | A+                       |
|                          | Tbiv                            | °C      | -7                       |
| Tol                      |                                 | °C      | -15                      |
| Indepartare umiditate    |                                 | L/h     | 1                        |
| Consum max. intrare      |                                 | W       | 2150                     |
| Curent max.              |                                 | A       | 10                       |
| Curent pornire           |                                 | A       | /                        |
| Compresor                | Model                           |         | KSK103D33UEZ3(YJ)        |
|                          | Tip                             |         | Rotativ                  |
|                          | Brand                           |         | GMCC                     |
|                          | Capacitate                      | Btu/h   | 2035/3255                |
|                          | Intrare                         | W       | 325/826                  |
|                          | Curent nominal (RLA)            | A       | 2.4/5.65                 |
|                          | Amplificator rotor blocat (LRA) | A       | /                        |
|                          | Protector termic                |         | /                        |
|                          | Pozitie protector termic        |         | /                        |
|                          | Condensator                     | uF      | /                        |
|                          | Ulei Refrigerant/incarcare ulei | ml      | ESTER OIL VG74/310       |
