Review substantiation: ☒ **This review is based on a sampling plan** for technical documentation reviews
☐ Essential element for the evaluation of model(s)/variant(s) in existing product group

Auditor /expert's recommendation:

- ☒ Within the scope of the review, the reviewer obtained evidence that the technical documentation fulfills relevant requirements of the medical device Directive 93/42/EEC.
- ☐ All applicable quality related processes have been evaluated during previous audits (see e.g. audit report no. [XX](#)).
- ☐ An additional audit was performed to assess relevant processes to introduce model(s)/variant(s) in existing product group. See audit report with no. [XX](#), provided together with this review report.
- ☐ Within the scope of the review, the reviewer obtained evidence that the submitted technical documentation **does not** completely fulfill relevant requirements of the Medical Device Directive 93/42/EEC.

It is recommended that the TÜV Rheinland LGA Products GmbH notified body (0197) certificate **DD60147743 0001** should

☐ be updated for the scope: [Enter text here](#) via Letter: update of information to certificate (MS-0045446)

☒ with reference to (Significant) Change Notification: (SCN dated **2021-09-10**)

☐ remain valid with unchanged scope

☐ be restricted for the above mentioned product: [Enter text here](#) via Letter: update of information to certificate (MS-0045446)

Review time: ☐ **on-site:**[XX](#) hours ☒ **off-site:**16 hours
