

**OXOID QUALITY ASSURANCE**

**PRODUCT SPECIFICATION**

**SODIUM CHLORIDE BACTERIOLOGICAL (OXOID)**

**LP0005**

**Description**

A bacteriological grade free from toxic substances.

**Physical & Chemical Characteristics**

Appearance	:	Small white crystals or crystalline powder
Minimum Assay %	:	99.5
Clarity (10% solution)	:	clear, free from insoluble particles

**Microbiological Characteristics**

Shall be suitable for microbiological applications.
