QUALITY CONTROL REPORT

Date :

Product : Asbestos cloth dust free

1. Characteristics: braided, pressurized.
2. Sizes: 1200x3mmx30m
3. Information on products testing:

Characteristics	Unit	Accepted values	Tests results
Roll length	m/M	30	30± 0,5
Thickness	mm/MM	3.0	3.1±0,1
Width	mm/MM	1150~1200	1200
Working Temperature	°C	350~380	370
Asbestos content	%	83~86	85
Moisture	%	6-8	6.5
Loss of Ignition	%	28.1-32	30
Density	g/m2	1780~1820	1800

Used as a thermal insulation material for boilers, pipelines and supporting equipment at power stations, plants, buildings and constructions.
