

## CERTIFICATE OF AUTHORIZED SERVICE CENTER

This is to certify that

### **AQUAPHOR WATER-PROFESSIONAL SRL**

str. Alexandru cel Bun 62 of.53

Chisinau

Republic of Moldova

has been duly appointed and authorized by

### **AQUAPHOR INTERNATIONAL OÜ**

L. Tolstoi 2A, 40231, Sillamäe, Estonia

to act as an Authorized and Certified Service Center for the territory of the Republic of Moldova for the professional water treatment products manufactured and supplied by Aquaphor International OÜ under the AQUAPHOR Professional brand.

### **SCOPE OF AUTHORIZATION**

Under this authorization Aquaphor International OÜ confirms that Aquaphor Water-Professional SRL possesses the necessary technical competence, trained personnel, and organizational capabilities required to perform installation and service activities for AQUAPHOR Professional water treatment systems in accordance with AQUAPHOR quality standards and applicable technical regulations, including but not limited to the following:

- Install, commission, and start up AQUAPHOR Professional water treatment equipment and systems.
- Perform warranty and post-warranty maintenance, repair, and technical support services for AQUAPHOR Professional products.
- Conduct diagnostics, troubleshooting, replacement of components, and system optimization in accordance with the technical requirements and service procedures established by Aquaphor International OÜ.
- Provide after-sales service and customer support to end users, distributors, dealers, and project partners.
- Use genuine AQUAPHOR spare parts, consumables, and service documentation supplied or approved by Aquaphor International OÜ.
- Represent itself as an Authorized Service Center for AQUAPHOR Professional products within the Republic of Moldova.
