The products listed above are manufactured by or for Ajinomoto Cambrooke, Inc. All products are produced in FDA inspected facilities using current Good Manufacturing Practices. The facilities comply with all applicable FDA regulations including parts 108, 110, 113, 114, and 178 of Title 21 of the Code of Federal Regulations. The products are in conformity with the United States Food and Drug Administration (FDA) current Good Manufacturing Practices (cGMPs) as set in the Code of Federal Regulations, Title 21, Part 117, and comply with EU Regulation (EU) 609/2013 on “food intended for infants and young children, food for special medical purposes, and total diet replacement for weight control”.

Final products are tested for microbial levels and organoleptic quality, and only products conforming to our high standards are released for consumption.

Ajinomoto Cambrooke, Inc. has a Food Safety Team that oversees the production of all food and formula products. Identified Control Points and Critical Control Points are monitored continuously. The Food Safety plans (HACCP or HARPC) are updated on a continual basis as required.

I confirm the accuracy of this statement and declaration on behalf of the company in regard to the manufacturing process of the Products.
